Choose one project to summarize and respond to the following:

Title of project:__________________________________________________________

Briefly summarize the three main ideas of the project.
1.  

2.  

3.  

List the curriculum area(s) the project addresses:

Elaborate on the partners who were involved in the project:

How did the students evaluate the project?
How did the students reflect about their activities?

Do you think the project met their goals and objectives?

Would you like to have been a part of the project? Why or why not?
