§42.0448. Notification of Family Violence Calls.

The department shall notify a child-placing agency of each family violence report the department receives under Article 5.05, Code of Criminal Procedure, that:

1. occurred at an agency foster home verified by the child-placing agency; or
2. involves a person who resides at an agency foster home verified by the child-placing agency.

§42.0449. Required Actions After Notice of Family Violence Call.

The executive commissioner shall adopt rules specifying the actions that the department, an independent foster home, and a child-placing agency shall take after receiving notice of a family violence report under Article 5.05, Code of Criminal Procedure, or Section 42.0448 to ensure the health, safety, and welfare of each child residing in the licensed foster home or verified agency foster home.

(d) An independent foster home and a child-placing agency shall notify the department of any change of address for a licensed foster home or a verified agency foster home. The independent foster home and child-placing agency shall notify the department of the address change within the earlier of two business days or 72 hours of the date the foster home changes its address.

§42.0451. Database of Foster Homes; Information Provided to Department of Public Safety.

(b) The department shall make the database available to the Department of Public Safety for the purposes of Subsection (c).

(c) The Department of Public Safety shall include the information provided under Subsection (b) in the Texas Crime Information Center database and establish a procedure by which a peace officer or employee of a law enforcement agency who provides the department with a street address is automatically provided information as to whether the address is licensed as a foster home or verified as an agency foster home under this chapter.

(d) Information provided to the Department of Public Safety under this section is confidential and not subject to disclosure under Chapter 552, Government Code.

§42.0452. Foster Parent Rights and Responsibilities Statement.

(b) The department shall supply the applicant the application form and a copy of the appropriate minimum standards, if applicable.

(c) After receiving an application, the department shall investigate the applicant and the plan of care for children, if applicable.

(d) The department shall complete the investigation and decide on an application within two months after the date the department receives a completed application.

(e) The department may deny an application under this section if the applicant:
(1) has a residential child-care facility license revoked in another state; or
(2) is barred from operating a residential child-care facility in another state.

§42.0461. Public Notice and Hearing in Certain Counties: Residential Child Care.

(a) Before the department may issue a license or certificate for the operation or the expansion of the capacity of a foster group home or foster family home that is located in a county with a population of less than 300,000 and that provides child care for 24 hours a day at a location other than the actual residence of a child's primary caretaker or of a general residential operation, the applicant for the license, certificate, or expansion shall, at the applicant's expense:

(1) conduct a public hearing on the application in accordance with department rules after notifying the department of the date, time, and location of the hearing; and
(2) publish notice of the application in a newspaper of general circulation in the community in which the child-care services are proposed to be provided.

(b) The notice required by Subsection (a)(2) must be published at least 10 days before the date of the public hearing required by Subsection (a)(1) and must include:

(1) the name and address of the applicant;
(2) the address at which the child-care services are proposed to be provided;
(3) the date, time, and location of the public hearing;
(4) the name, address, and telephone number of the department as the licensing authority; and
(5) a statement informing the public that a person may submit written comments to the department concerning the application instead of or in addition to appearing at the public hearing.

(c) The department shall require a representative of the department to attend the public hearing in an official capacity for the purpose of receiving public comments on the application.

(d) Before issuing a license or certificate described by Subsection (a), the department shall consider:

(1) the amount of local resources available to support children proposed to be served by the applicant;
(2) the impact of the proposed child-care services on the ratio in the local school district of students enrolled in a special education program to students enrolled in a regular education program and the effect, if any, on the children proposed to be served by the applicant; and
(3) the impact of the proposed child-care services on the community and the effect on opportunities for social interaction for the children proposed to be served by the applicant.

(e) The department may deny the application if the department determines that:

(1) the community has insufficient resources to support children proposed to be served by the applicant;
(2) granting the application would significantly increase the ratio in the local school district of students enrolled in a special education program to students enrolled in a regular education program and the increase would adversely affect the children proposed to be served by the applicant; or
(3) granting the application would have a significant adverse impact on the community and would limit opportunities for social interaction for the children proposed to be served by the applicant.

(f) A child-placing agency that proposes to verify an agency foster home or agency foster group home that is located in a county with a population of less than 300,000 that provides child care for 24 hours a day at a location other than the actual residence of a child's primary caretaker shall:

(2) after conducting the required public hearing, provide the department with information relating to the considerations specified in Subsection (d).

(g) The department may prohibit the child-placing agency from verifying the proposed agency foster home or agency foster group home on the same grounds that the department may deny an application under Subsection (e). The department may invalidate the verification of an agency foster home or agency foster group home that was not verified using the procedures required by Subsection (f) on or after September 1, 1997.

§42.047. Consultations.

(a) The department shall offer consultation to potential applicants, applicants, and license, listing, registration, and certification holders about meeting and maintaining standards for licensing, listing, registration, and certification and achieving programs of excellence in child care.

(b) The department shall offer consultation to prospective and actual users of facilities or homes.

(c) The department may grant a variance of an individual standard set forth in the applicable standards for good and just cause.

(d) A license holder must display a license issued under this chapter in a prominent place at the facility.

(e) A license issued under this chapter is not transferable and applies only to the operator and facility location stated in the license application. Except as provided by this subsection, a change in location of ownership automatically revokes a license. A change in location of a child-placing agency does not automatically revoke the license to operate the child-placing agency.

(f) A license must be issued if the department determines that a facility meets all requirements. The evaluation shall be based on one or more visits to the facility and a review of required forms and records. A license is valid until revoked or surrendered.

§42.049. Liability Insurance Required.

(a) A license holder shall maintain liability insurance coverage in the amount of $300,000 for each occurrence of negligence. (b) A license holder shall file with the department a certificate or other evidence from an insurance company showing that the license holder has an unexpired and uncancelled insurance policy or contract that meets the requirements of this section.

(c) Should the license holder for financial reasons or for lack of availability of an underwriter willing to issue a policy be unable to secure the insurance required under Subsection (a) or should the policy limits be exhausted, the license holder shall notify the parent or a person standing in parental relationship to each child for whom the license holder provides care a written notice that the liability coverage is not provided and there will not be a ground for suspension or revocation of the license holder's license under this chapter. The license holder shall also notify the department that the coverage is not provided and provide the reason for same. In no case shall the inability to secure coverage serve to indemnify the license holder for damages due to negligence.

(d) The insurance policy or contract shall be maintained at all times in an amount as required by this section. Failure by a license holder to renew the policy or contract or to maintain the policy or contract in the...
required amount is a ground for suspension or revocation of the license holder’s license under this chapter.

(e) This section does not apply to a group day-care home or a listed or registered family home.

§42.050. License Renewal.

(a) A license holder may apply for a new license in compliance with the requirements of this chapter and the rules promulgated by the department.

(d) A family home that provides care for four or more children, excluding children who are related to the caretaker, shall register with the department.

(e) A registration or listing remains valid until revoked or surrendered. The operator of a registered home must display the registration in a prominent place at the home.

(f) To remain listed or registered with the department, a family home must comply with the department’s rules and standards, if applicable, and any provision of this chapter that applies to a listed or registered family home.

(g) The certification requirements of this section do not apply to a Texas Youth Commission facility, a Texas Juvenile Probation Commission facility, or a facility providing services solely for the Texas Youth Commission.

The department by rule shall provide for a sufficient period to allow operators of family homes to comply with the listing requirement of this section.

(j) The operator of a listed family home shall undergo initial and subsequent background and criminal history checks required under Section 42.056. If the operator of a listed family home fails to submit the information required by Section 42.056 for a subsequent background and criminal history check, the department shall automatically:

1) suspend the home’s listing until the required information is submitted; and

2) revoke the home’s listing if the required information is not submitted within six months after the date the automatic suspension begins.

(j-1) A suspension or revocation under Subsection (j) is not a suspension or revocation under Section 42.072.

(k) The department shall issue a listing or registration to a family home, as appropriate, in both English and Spanish when the most recent federal census shows that more than one-half of the population in a municipality or in a commissioners precinct in a county in which the family home is located is of Hispanic origin or Spanish-speaking.

The fees authorized by this chapter and received by the department shall be deposited in the general revenue fund.

IT IS NOT LICENSED OR REGISTERED WITH THE DEPARTMENT OF PROTECTIVE AND REGULATORY SERVICES. IT HAS NOT BEEN INSPECTED AND WILL NOT BE INSPECTED.”

§42.0523. Listing of Relative Child-Care Providers.

(a) A child-care provider who only provides child care under Chapter 313, Labor Code, to children related to the provider may list the provider’s home as a family home.

(b) Before the department may list a child-care provider’s home under this section, in addition to conducting any other background or criminal history check required for a family home listing, the department must search the central database of sex offender registration records maintained by the Department of Public Safety under Chapter 62, Code of Criminal Procedure, to determine whether the provider is listed in the registry as a sex offender.

(c) The address of a family home listed under this section is the address of the child-care provider’s home, regardless of whether the child care is provided in the provider’s home or in the child’s home.

(d) A relative child-care provider’s home listed as a family home under this section is exempt from the health and safety requirements of 45 C.F.R. Section 98.41(a).
§42.053. Agency Foster Homes and Agency Foster Group Homes.

(a) An agency foster home or agency foster group home is considered part of the child-placing agency that operates the agency foster home or agency foster group home for purposes of licensing.

(d) For purposes of this section, background information means the home study under which the agency home or agency group home was verified by the previous child-placing agency and any record of noncompliance with state minimum standards received and the resolution of any such noncompliance by the previous child-placing agency.

(e) The department, by rule, shall develop a process by which a child-placing agency shall report to the department:

1. the name of any verified foster home or foster group home that has been closed for any reason, including a voluntary closure;

2. information regarding the reasons for the closure of the foster home or foster group home; and

3. the name and other contact information of a person who may be contacted by another child-placing agency to obtain the records relating to the closed foster home or foster group home that are required to be maintained and made available under this section.

§42.0536. Transfer of Agency Foster Home.

(a) An agency foster home that is verified by a child-placing agency may transfer to another child-placing agency only if, before the date of the transfer, the agency foster home notifies the child-placing agency to which the agency foster home is transferring of each licensing violation for which the agency foster home has been cited by the department during the preceding three years.

1. the child-placing agency to which the agency foster home is transferring;

2. the child-placing agency that verified the agency foster home;

3. the agency foster home; or

4. the caseworker.

The amount of the fee is $20 for a listed home or $35 for a registered home. The fee is due on the date on which the department initially lists or registers the home and on the anniversary of that date.

(f) If a facility, agency, or home fails to pay the annual fee when due, the license, listing, or registration, as appropriate, is automatically suspended until the fee is paid. The license, listing, or registration shall be revoked if the fee is not paid within six months after the date the automatic suspension begins. §42.062. Certain Employment and Service Prohibited.  
A person may not be employed as a controlling person or serve in that capacity in a facility or family home if the person is not eligible to receive a license or certification for the operation of a facility or family home under Section 42.072(g) or who has been denied a license under Section 42.046 for a substantive reason.

(g) The department shall implement this section using existing appropriations.

§42.064. Information Regarding Gang-Free Zones.  
Each day-care center shall, in accordance with rules adopted by the executive commissioner, distribute to parents and guardians of children who attend the center information on gang-free zones and the consequences of engaging in organized criminal activity within those zones.

§42.065. Administering Medication.  
(a) In this section, “medication” means a drug that may be obtained with or without a prescription, excluding a topical ointment obtained without a prescription.

(c) A director, owner, operator, caretaker, employee, or volunteer of a child-care facility subject to this section may not administer a medication to a child unless:

   (d) Notwithstanding Subsection (c)(1), a director, owner, operator, caretaker, employee, or volunteer of a child-care facility subject to this section may administer medication to a child under this section without a signed authorization if the child’s parent or guardian:

      (2) authorizes the child-care facility by telephone to administer a single dose of a medication.
or the registration of a family home that does not correct items that were in noncompliance not later than the 10th day before the evaluation or probation.

(c) If the department finds a facility or family home is in repeated noncompliance with standards that do not endanger the health and safety of children, the department may schedule the facility or family home for probation.

(d) The department shall revoke the license of a facility or the registration of a family home that does not comply with the requirements of this chapter, the standards and rules of the department, or the specific terms of the license, listing, registration, or certification. The department may revoke the probation of a person whose license, listing, or registration is suspended if the person violates a term of the conditions of probation.

(e) A person may continue to operate a facility or family home during an appeal of a license, listing, registration, or certification revocation unless the operation of the facility or family home poses a risk to health or safety and that the facility or family home may not operate. A person who has been notified by the department that the facility or home may not operate under this section may seek injunctive relief from a district court in Travis County or in the county in which the facility or home is located to allow operation during the pendency of an appeal. The court may grant injunctive relief against the agency's action only if the court finds that the child-care operation does not pose a health or safety risk to children. A court granting injunctive relief under this subsection shall have no other jurisdiction over an appeal of final agency action unless conferred by Chapter 2001, Government Code.

§42.071. Suspension, Evaluation, or Probation of License or Registration.

(a) The department may suspend the license of a facility or the registration of a family home that has temporarily ceased operation but has definite plans for starting operations again within the time limits of the issued license or registration.

(b) The department may suspend a facility’s license or a family home’s registration for a definite period rather than deny or revoke the license or registration if the department finds repeated noncompliance with standards that do not endanger the health and safety of children. To qualify for license or registration suspension under this subsection, a facility or family home must suspend its operations and show that standards can be met within the suspension period.

(c) If the department finds a facility or family home is in repeated noncompliance with standards that do not endanger the health and safety of children, the department may schedule the facility or family home for evaluation or probation rather than suspend or revoke the facility’s license or the family home’s registration. The department shall provide notice to the facility or family home of the evaluation or probation and of the items of noncompliance not later than the 10th day before the evaluation or probation period begins. The department shall designate a period of not less than 30 days during which the facility or family home will remain under evaluation. During the evaluation or probation period, the facility or family home must correct the items that were in noncompliance and report the corrections to the department for approval.

§42.072. License, Listing, or Registration Denial, Suspension, or Revocation.

(a) The department may suspend, deny, revoke, or refuse to renew the license, listing, registration, or certification of approval of a facility or family home that does not comply with the requirements of this chapter, the standards and rules of the department, or the specific terms of the license, listing, registration, or certification. The department may revoke the probation of a person whose license, listing, or registration is suspended if the person violates a term of the conditions of probation.

(b) If the department proposes to take an action under Subsection (a), the person is entitled to a hearing conducted by the State Office of Administrative Hearings. Proceedings for a disciplinary action are governed by the administrative procedure law, Chapter 2001, Government Code. An action under this section, including a revocation of a person’s license, is a contested case as defined by Chapter 2001, Government Code, and is subject to judicial review under the substantial evidence rule in accordance with that chapter. Rules of practice adopted by the board under Section 2001.004, Government Code, applicable to the proceedings for a disciplinary action may not conflict with rules adopted by the State Office of Administrative Hearings.

(c) The department may not issue a license, listing, registration, or certification to a person whose license, listing, registration, or certification is revoked or whose application for a license, listing, registration, or certification is denied for a substantive reason under this chapter before the fifth anniversary of the date on which the revocation takes effect by department or court order or the decision to deny the application is final.

(c-1) A person described by Subsection (c) may not be a controlling person in any facility or family home during the five-year period in which the person is ineligible to receive a license, listing, registration, or certification.

(d) The department by rule may provide for denial of an application or renewal for a licensed facility or for listing or registering a family home or may revoke a facility’s license or a family home’s listing or registration based on findings of background or criminal history as a result of a background or criminal history check.

(e) A person may continue to operate a facility or family home during an appeal of a license, listing, or registration revocation unless the operation of the facility or family home poses a risk to the health or safety of children. The executive commissioner shall by rule establish the criteria for determining whether the operation of a facility or family home poses a risk to the health or safety of children. The department shall notify the facility or family home of the criteria the department used to determine that the operation of the facility or family home poses a risk to health or safety and that the facility or family home may not operate. A person who has been notified by the department that the facility or home may not operate under this section may seek injunctive relief from a district court in Travis County or in the county in which the facility or home is located to allow operation during the pendency of an appeal. The court may grant injunctive relief against the agency’s action only if the court finds that the child-care operation does not pose a health or safety risk to children. A court granting injunctive relief under this subsection shall have no other jurisdiction over an appeal of final agency action unless conferred by Chapter 2001, Government Code.

(f) The department shall deny an application or renewal for listing or registering a family home or shall revoke a family home’s listing or registration if the results of a background or criminal history check conducted by the department under Section 42.056 show that a person has been convicted of an offense under Title 5, or 6, Penal Code, or Chapter 43, Penal Code.
§42.073. Emergency Suspension and Closure of a Facility or Family Home.
(a) The department shall suspend a facility's license or a family home's listing or registration and order the immediate closing of the facility or family home if:
1. the department finds the facility or family home is operating in violation of the applicable standards prescribed by this chapter; and
2. the violation creates an immediate threat to the health and safety of the children attending or residing in the facility or family home.
(b) An order suspending a license, listing, or registration and an order closing a facility or family home under this section is immediately effective on the date on which the holder of the license, listing, or registration receives written notice or on a later date specified in the order.
(c) An order is valid for 30 days after the effective date of the order.

§42.074. Injunctive Relief.
(a) The department may file suit in a district court in Travis County or in the county in which a facility or family home is located for assessment and recovery of a civil penalty under Section 42.075, for injunctive relief, including a temporary restraining order, or for both a civil penalty and injunctive relief when it appears that a person:
1. has violated, is violating, or is threatening to violate the licensing, certification, listing, or registration requirements of this chapter or the department's licensing, certification, listing, or registration rules and standards; or
2. knowingly fails to meet or maintain an exemption authorized under Section 42.041 and engages in activities that require a license or registration.
(b) At the department's request, the attorney general or the county or district attorney of the county in which the facility or family home is located shall conduct a suit in the name of the State of Texas for injunctive relief, to recover the civil penalty, or for both injunctive relief and civil penalties as authorized by Subsection (a).
(c) Injunctive relief provided by this section is in addition to any other action, proceeding, or remedy authorized by law. It is not necessary to allege or prove in an action filed under this section that an adequate remedy at law does not exist or that substantial or irreparable harm would result from the continued violation.
(d) The department is not required to give an appeal bond in an action arising under this section.

§42.075. Civil Penalty.
(a) A person is subject to a civil penalty of not less than $50 nor more than $100 for each day of violation and for each act of violation if the person:

2. violates a provision of this chapter or a department rule or standard three or more times within a 12-month period;

5. fails to inform the department of a change in status and the person knows the change in status requires the person to be licensed or registered under this chapter.
(b) The civil penalty authorized by this section is cumulative and in addition to the criminal penalties and injunctive relief provided by this chapter.

§42.076. Criminal Penalties.
(a) A person who operates a child-care facility or child-placing agency without a license commits a Class B misdemeanor.
(b) A person who operates a family home without a required listing or registration commits a Class B misdemeanor.

(b) An offense under this section is a Class B misdemeanor.

§42.077. Notice of Action Against Facility or Family Home.
(a) If the department revokes or suspends a facility's license or a family home's listing or registration, the department shall publish notice of this action:
1. in a newspaper of general circulation in the county in which the facility or family home is located; or
2. on the department's Internet website along with other information regarding child-care services.
(b) If a person who operates a facility or family home that has had its license, listing, or registration revoked or suspended later applies for a new license, listing, or registration to operate the same facility or family home, the department shall charge the person an application fee in an amount necessary to reimburse the department for the cost of the notice relating to that facility or family home.
(c) The department shall pay for publication of the notice from funds appropriated to the department for licensing and regulating child-care facilities and for listing, registering, and regulating family homes and from appeal and application fees collected under Subsection (b) and appropriated to the department.
(d) A facility or family home that has its license, listing, or registration revoked or suspended shall mail notification of this action by certified mail to the parents or guardian of the child served by the facility or family home. The facility or family home shall mail the notification within five days of the effective date of the revocation or suspension of the license, listing, or registration.

(d-1) If the department determines that the license of a residential child-care facility should be revoked or suspended, the facility shall mail notification of the action or proposed action by certified mail to a parent of each child served by the facility, if the person's parental rights have not been terminated, and to the child's managing conservator, as appropriate. The residential child-care facility shall mail the notification not later than the fifth day after the date the facility is notified of the department's determination that revocation or suspension of the license is appropriate.

(e) When the most recent federal census shows that more than one-half of the population in a municipality or in a commissioners precinct in a county in which a family home whose listing or registration has been revoked or suspended is located is of Hispanic origin or Spanish-speaking, the department shall publish the notice under Subsection (a) in both English and Spanish.

§42.078. Administrative Penalty.

(a) The department may impose an administrative penalty against a facility or family home licensed, registered, or listed under this chapter that violates this chapter or a rule or order adopted under this chapter. In addition, the department may impose an administrative penalty against a residential child-care facility or a controlling person of a residential child-care facility if the facility or controlling person:

1. violates a term of a license or registration issued under this chapter;
2. makes a statement about a material fact that the facility or person knows or should know is false:
   (A) on an application for the issuance of a license or registration or an attachment to the application; or
