Think About Your Future

Don’t be Afraid to Dream....
What might you be doing in four years?
What do you see yourself doing in eight years?
What do you see yourself doing in fifteen years?
Where will you be living?
How will you be making a living?
The choices and decisions you make RIGHT NOW will make all the difference in the world.
Will your kitchen be filled with fresh foods?
Will you prefer fast food?
Or will fine dining be on your agenda?
Will you travel to exotic places?
Or be content with a family trip to the beach?
How about a family picnic?
Will you spend time with your extended family?
Or will you prefer to spend your time traveling with your friends?
Will you have a family pet?
Will you constantly shop until you drop?
Or only buy what you need?
Would you like to be single forever?
Or do you see yourself with a lifelong partner?
Do you see children in your future? How many?
Will you want the latest technology gadgets and games?
Or will you prefer less technology?
How involved will you be in your community?
Is a political career in your future?
Will you vote on issues that are important to you?
Health wise....
Will you do your best to stay healthy or not?
Will you make time for sports?
Exercise?
Or let yourself go?
Will you work indoors?
Or outdoors?
Providing a service?
