Outline for End-of-Course Project Proposal

Instructions: Complete and submit the following on your own paper.

I. Who are the members of your group?

II. What is the title of your project? (Think of something creative and unique.)

III. Which course TEKS and student expectations will your project cover?

IV. Give a brief summary of the project (one paragraph).

V. Why did you select this project?

VI. Describe the project (two paragraphs).

VII. What resources are needed for your project (Internet access, projector for final presentation)?
